

DMARC

love all,
feed all

Ways to get involved:

Hold a second collection for DMARC - Your financial support makes the biggest difference right now!

Host a food and fund drive - February means the big game is almost here. Help DMARC tackle hunger and host a 'souper bowl' themed drive.

Invite others to learn more - DMARC can help you host an educational opportunity for your youth group so they can join the fight against food insecurity.

DMARC

love all,
feed all

Warm the hearts of others this Valentine's season. DMARC is encouraging your congregation during the season of love to find a new way to give back. Your support is making a huge impact as our community is facing an emergency level of need around food insecurity.

Do one extra thing to support the DMARC Food Pantry Network in **February.**

DMARC can purchase 2-6x more food through our warehouse than you can at the grocery store.

Flip over:

to see how you can make a difference.
